

Mystique Might Linen T-Shirt

High quality ladies t-shirt made of refined linen-organic cotton mixture

Price: 76,95 €

Item #: 9b038

Delivery status: Ready for shipping

High quality mix of linen and cotton for the warm summer evenings. Slightly transparent with material-typical nodules, which the delicate shade wonderfully brings to bear. Good to know: Linen is perceived as particularly breathable and pleasantly cooling on the skin, as it absorbs up to 35% humidity and exchanges it with the surrounding air.
